SPORTS PREMIUM FUNDING REPORT 2016/17

Each school receives Sports Premium funding from the Department of Education. This money is provided to develop existing and future sports provision. We can allocate our funding into four main areas: High Quality Physical Education (P.E.), Competition, Health, and Community, depending on the needs of our pupils.

Each year our P.E. co-ordinator, Mr Michael Barnes, works with the head teacher, Mrs Catherine Carr, and our sports outreach advisor, Helen Stevens, to decide the most appropriate way to spend our budget so that it provides maximum benefit for the teaching and learning in our school.

	2015-16	2016-17
Total number of pupils on roll (Sept.)	270	270

AIMS OF SPORTS PREMIUM SPENDING IN 2015/16

- Support progression of high quality lessons through staff mentoring.
- Enhance the range and types of sports our children can take part in.
- Continue to take part in competitions within school and with other local schools.
- Continue to provide additional activities which allow our children to experience new and different sports.

SUMMARY OF SPORTS PREMIUM SPENDING IN 2016-2017

Our sports premium money has been used to access the resources and expertise of the Points Learning Network. The Network Team has supported Mr Barnes in a number of ways:

- support and train staff, as well as sourcing a Level 3 coach to support peer teaching of a structured game which will be taught yearly to each year group;
- coaches have worked alongside staff to develop a further repertoire of new and different sports activities such as football rounders and touch rugby.
- Staff given specified coaching to enhance skills at all levels.
- coaches have run sports-based clubs after school time;
- coaches have provided resources and equipment for a Change 4 Life club; and Helen Stevens has worked with our P.E. coordinator in school regularly over a term to support the sports' provision, impact and monitoring of sport in school.
- Year 2 (90 children) have engaged in 6 weeks of swimming lessons (to carry on yearly).
- 3 Visits to the English Institute of Sport to participate in city wide competition.
- 3 Successful sports day hosted in the local community.(Endcliffe Park.)
- World Sports Week – All children participate in 5 sports and are encouraged to partake in extra curricular sporting activity.

IMPACT OF SPORTS PREMIUM SPENDING IN 2016-2017

- Through local initiatives and clubs, use of the sports premium funding every child in school this year has had the opportunity to engage in sessions run by Level 3 and above coaches in football, rugby, netball, tennis, squash and 90 Year 2 children have participated in swimming and core strengthening sessions.
- Teaching staff have gained confidence of delivery of skills leading to a game all children can participate in.
- Coaches' expertise has allowed the children to be taught in a wider range of sports, including sit-down volleyball, football, basketball, cricket, rugby rounders, tag rugby and athletics.
- Children are continuing to take part in more Level 1 competitions in school, with some children also attending Level 2 competitions including football and athletics.
- With the support of Helen Stevens and Michael Barnes, the monitoring of PE has ensured that all children have had opportunity to take part in sports activities over the year.
- All Year 2 children participate in 6 hour long swimming lessons with 76% achieving their 10metre certification.
- Mr Barnes has attended Sports Conferences outside of school and provided feedback from these events to other staff in school.
